

After our 3<sup>rd</sup> incident this year, I knew that I had to take a more Pro-active approach to accident prevention. None of the incidents were the fault of my drivers, however, the business disruption that my company sustained was unacceptable!

I am confident your reflective tape will reduce the risks of future rear end collisions (incidents). As a Company that strives for a Best Practice Safety Program, we should have instituted this long ago.

A handwritten signature in black ink, appearing to read "Michael Klein", is written over a horizontal line.
